

The Janet Fund AED Grant Application

The Janet Fund AED Grant is open to New Jersey public and non-profit private schools as well as non-profit youth organizations. Priority will be given to schools that do not presently have an Automated External Defibrillator on the school premises. All grant applications must be completed in its entirety to be eligible for consideration.

1. All grant recipients must be a public or non-profit private school located in New Jersey.
2. Schools must comply with all requirements of Janet's Law including having at least 5 responders in the school trained in CPR and AED.
3. All grant recipients must provide an emergency action plan with the grant application. If you do not have an emergency action plan, you may write on your application that assistance from The Janet Fund is needed in order to develop one. Sample emergency action plans are available.
4. All grant recipients will ensure that the AED is available at all times and is never locked away.
5. All grant recipients will maintain the units as instructed by the manufacturer and have proper medical oversight.
6. All grant recipients will post signs throughout the school directing people to the location of the AED. Signs can be downloaded from www.thejanetfund.org
7. All grant recipients agree to raise a minimum of \$400 to donate to The Janet Fund so other organizations may continue to receive grants. This can be done over the course of one year.
8. All grant recipients agree that should they not want or can't maintain the AED, they will return it back to The Janet Fund so it can be re-donated.
9. All grant recipients agreeing to the above and approved by the Board of Directors will receive 1 AED, 1 wall-mounted storage cabinet, 1 year of medical oversight and maintenance and training for up to 8 people in both CPR and AED.

Terms and Conditions:

In agreeing to these terms, the grant recipient acknowledges that should the grant recipient fail to meet or maintain any of the above guidelines; The Janet Fund will seek to have the donation returned immediately.

Please mail completed grant application, along with your emergency action plan and a letter stating your request/intent. The letter must be signed and dated by an executive or official of your organization.
